DIRECTORATE OF ADMINISTRATION
CLASSIFICATION GUIDE (DACC)

25X1	Classification Guide Sections 9a - 9g)	Level of Classification	Duration of Classification	Justification for Extension Beyond Six Years
b. <u>Foreign Government Information</u>		Classification level specified by foreign government(s) is applicable. If not so specified, SECRET applies for all information categorized under Section 9b.	30 years (review)	To protect sensitive clandestine sources and methods of collecting intelligence which are expected to remain sensitive by virtue of loss of informational advantage to the United States over the full stated period of classification. The foreign government(s) or international organization(s) concerned require that the fact of their cooperation with the United States in making information available be kept in confidence. E.O. 12065, sections 6-103 and 1-303 define Foreign Government Information and specify that its unauthorized disclosure is presumed to cause at least identifiable damage to the national security. Section 1-402 of E.O. 12065 specifies that such information may be classified for up to 30 years; Section 3-404 exempts such information from automatic declassification and 20-year systematic review. This justification applies for all foreign government information categorized under Section 9b.
(1) Information provided to the United States by any element of a foreign government or international organization of government, with the explicit or implicit understanding that the information is to be kept in confidence.(U)				
(1.1) RESERVED				
(2) Information produced by the United States whether unilaterally or jointly with a foreign government or governments, pursuant to an arrangement with any element of such government(s) or organization(s) documented by a written record and requiring that the information, the arrangement itself, or both, be kept in confidence.(U)				
(2.1) RESERVED				
(3) Information revealing the existence of joint intelligence activities, facilities, or the nature thereof in foreign countries.(U)				
(3.1) Tripartite and Bilateral communications agreements, and/or other joint support agreements.(U)		9b(1) applies	9b(1) applies	
(3.2) Information pertaining to the presence and activities of Directorate of Administration personnel in foreign countries conducting training, performing joint activities, or advising officially acknowledged foreign liaison personnel.(U)		9b(1) applies	9b(1) applies	

Classification Guide Sections 9a - 9g)	Level of Classification	Duration of Classification	Justification for Extension Beyond Six Years
(3.3) Information dealing with budget, expenditures, funding or other fiscal aspects, including means of such support, or information which could, when joined with other information, reveal or identify the existence, nature, scope, or effect of joint intelligence activities in foreign countries, or the personnel involved therein.(U)	As stated in 9b(1) for all categories on this page.	As stated in 9b(1) for all categories on this page.	As stated in 9b(1) for all categories on this page.
(3.4) Information pertaining to the arrangements or contacts made with foreign governments relative to the transportation of material destined for use in support of ongoing, past, or prospective operations or activities.(U)			
(3.5) Information concerning foreign training sites and special training facilities, equipment, and installations, and utilization of such facilities by Agency personnel.(U)			
(3.6) Information pertaining to foreign real property, worldwide, if utilized jointly with the foreign government for intelligence activities or in support thereof, or if utilized by the Agency, or Agency personnel, with the knowledge of the foreign government.(U)			
(3.7) Information concerning classified CIA procurements made in support of, or at the request of, foreign governments.(U)			
(3.8) Information provided by foreign government(s) or international organization(s) on international terrorism and drug trafficking and the resulting use made of such information.(U)			
(3.9) Information pertaining to the training of foreign liaison personnel in the United States.(U)

25X1	Classification Guide Sections 9a - 9g)	Level of Classification	Duration of Classification	Justification for Extension Beyond Six Years
------	---	-------------------------------	----------------------------------	--

c. Intelligence Activities, sources or methods

(1) Information which could reveal or identify a present, past or prospective intelligence source, whether a person, organization, group, technical system, mechanism, device, or any other means or instrument that provides, has provided, or is being developed to provide foreign intelligence or counterintelligence.(U)

OFFICE OF FINANCE

(1.1) Information dealing with budget, expenditures, funding or other fiscal aspects which reveals or, if joined with other information, could reveal or identify an intelligence source.(U)

SECRET

20 years
(review)

Extended classification at the "SECRET" level is required to protect sensitive technical and human clandestine sources of intelligence which could remain vulnerable to counteraction for a period of at least 20 years. Nullification or reduction in effectiveness of these sources could result in a loss of informational advantage to the United States, causing serious damage to the national security.

OFFICE OF MEDICAL SERVICES

(1.2) Information pertaining to covert evaluation, assessment, or medical operational support of an agent, defector, or personality which could reveal or identify an intelligence source.(U)

SECRET

20 years

d. Foreign Relations or Foreign Activities of the United States

(1) Information which, if disclosed, could lead to foreign political, economic or military action against the United States or other friendly nations.

(1.1) RESERVED

(2) Information which, if revealed, could create, stimulate, or increase international tensions in such manner as to impair the conduct of United States foreign policies.

(2.1) RESERVED

(3) Information which, if revealed, could deprive the United States of a diplomatic or economic advantage related to the national security, or which could weaken the position of the United States or its allies in international negotiations, or adversely affect other activities pertinent to the resolution or avoidance of international conflicts or differences having national security significance.

(3.1) RESERVED

25X1	Classification Guide Sections 9a - 9g)	Level of Classification	Duration of Classification	Justification for Extension Beyond Six Years
------	---	-------------------------------	----------------------------------	--

(4) Information that could disclose plans prepared, under preparation, or contemplated by officials of the United States to meet diplomatic or other contingencies affecting the security of the United States.(U)

(4.1) RESERVED

(5) Information that could identify or otherwise disclose activities conducted abroad in support of national foreign policy objectives, and planned and executed so that the role of the United States Government is not apparent or acknowledged publicly, or information that could reveal support provided to such activities.

OFFICE OF FINANCE

(5.1) Information dealing with budget, expenditure, funding or other fiscal aspects which reveals, or information which could, when joined with other information, reveal or identify activities conducted abroad in support of nonattributable national foreign policy objectives of the United States Government.(C)

SECRET

20 years
(review)

Extended protection of this information at Secret level is essential because it reveals details of foreign policy and relations matters extending to the highest levels of the Government, the unauthorized disclosure of which could lead to widespread repercussions and serious damage to national security.

DERIVATIVE CLASSIFICATION GUIDE COVER ANNEX

References:

- a. Executive Order 12065, Section 1-301(c)
(Intelligence activities, sources or methods)
- b. Agency Classification Guide, Section 1-301(c)
[Items (1), (2), (3), (4), (5), (6), (7), (10), (11), and (12)]
- I. Information concerning the acquisition, implementation, use, maintenance and termination of foreign and domestic cover for Agency personnel, activities, and installations, including the operational, financial, logistical, communications, personnel administration, and security aspects of such cover as regards:
 - A. The techniques and methods used to establish, maintain, use and terminate official and non-official cover;
 - B. The identification of official and non-official cover units, facilities, organizations or installations;
 - C. The Agency's use of personnel, funds, materiel, real or other property, equipment or other assets in support of cover facilities or activities;
 - D. The identification of Agency employees or agents in relation to their cover, when both the employee or agent and the cover unit or organization are specified.
 - E. The identification of official or non-official organizations, entities or persons providing cover;
 - F. The identification of official or non-official organizations, entities or persons providing operational, financial, logistical or other support for cover;
 - G. The identification of personnel who are, have been, or are expected to be under non-official cover;

Level of Classification: Secret
Duration of Initial Classification: 20 years/review
Justification: Central Intelligence Act of 1949 (50 U.S.C. 403a), as amended.

SECRET

Approved For Release 2005/08/15 : CIA-RDP87B01034R000200070055-7

- II. Information that could identify Agency personnel under official cover, but which does not identify the cover organization and which is not otherwise classified or classifiable.

Level of Classification: Confidential

Duration of Initial Classification: 20 years/review

Justification: Central Intelligence Act of 1949 (50 U.S.C. 403a), as amended.

- III. Note: Documents which contain the types of information specified under I and II above shall be marked "WARNING NOTICE - INTELLIGENCE SOURCES AND METHODS INVOLVED" as provided in section 12 of
